ACCOMPLISHMENTS

- Started professional design career at the age of 16, showcasing early commitment, responsibility, and strong work ethic.
- Achieved Level 1 Seller in the first month, Level 2 within a year, and qualified for Top Seller by the second year on Fiverr.
- Fiverr's Choice feature for two consecutive years, consistently ranking as the top search result, boosting visibility and client inquiries.
- Collaborated with Nvidia to design a PC case concept, demonstrating expertise in concept art and PC case modding.

- Improved the company's workflow by introducing new techniques and efficient tool usage, enhancing productivity.
- Enhanced design quality, directly contributing to the company's ability to secure higher-profile clients and projects.

Remote Responsibilities (2 years)

- Focused exclusively on graphic design, creating print materials for clients remotely.
- Collaborated with the team from another country, maintaining high-quality design standards and meeting client deadlines.
- Continued working on projects for major brands and ensured smooth delivery of design assets.

Founder & PC Case Modder

RDX Mods *Part-time | concurrent 2 Years (2016-2018)*

- Designed and customized PC cases with a focus on aesthetics, functionality, and high-quality mods using diverse tools and materials for personal and client projects.
 - Developed a deep understanding of hardware components and thermal management solutions while enhancing the visual appeal of custom builds.
 - Completed a Lamborghini-themed PC case mod concept at the request of Nvidia, showcasing advanced design and craftsmanship.
 - Received recognition from Asus ROG for another design project, highlighting creativity and technical skill in the community.
-
